LETTER FROM THE PRINCIPAL

Dear Class of 2020,

I am proud and delighted to have this opportunity to congratulate you on your upcoming graduation from WMHS. Collectively, the Class of 2020 is an incredible group of students. You have shown strong, positive leadership in the building and have stepped up to make our school a better place for everyone. From your efforts to help organize the pep rally as a daytime event that every student can enjoy to your creation of new traditions (such as the senior sunset) and your support of reviving old traditions (Faculty vs. Senior basketball game), the Class of 2020 has left a positive and lasting impact on this building. Your time here will not be forgotten.

In the next few months, you will head off as individuals in many different directions, but I hope that much of what you learned at WMHS will have a lasting impact on you. Most importantly, I hope you will carry with you the Warrior spirit and pride of this community and our WMHS core values and try to incorporate them into everything that you do: respect, personal responsibility, and the acceptance and celebration of differences.

On behalf of the entire WMHS administration, faculty, and staff, I want you to know how incredibly proud we are of each one of you. We also cannot wait to see all the great things that are yet to come for the Class of 2020.

Best of luck!

Principal McLeod

"The highlight of the night was in that final 400 free relay," said Boyd. "Antonio was the anchor and our opponent had nearly an entire length of the pool lead when Antonio finally got his turn. In fact, the anchor for North Reading-Wilmington was going into his first turn when Antonio was just jumping off the blocks. You could tell he wasn't going to let them win because he was undeniably going for it. The crowd noticed what could possibly happen immediately and the place was louder than I've ever heard it. Sure enough, Antonio caught the other kid on the final length and won the race.
